

# Good to Be Home

Coco Jones

Oh yeah oh yeah With reverence I enter into this holy place  
A home that's like no other full of mercy, love and grace  
I know it's been a long time, I've never felt that far  
'Cause You were always on my mind, and You were always in my heart It's so good to be home, where I know  
that I belong  
Inside this house of love, with a family so strong  
And I'm here to worship and pour out my offering  
In the presence of His love, I'm never alone It's so good to be (home, home) home (home, sweet home)  
So good to be (home, home) home (home, sweet home) I know I'm always welcome into these open arms  
When all of us are gathered, He shot a light into the dark  
This home is where my heart is and it's always been that way  
'Cause you're forever by my side and I know I'm here to stay So good to be home, where I know that I belong  
Inside this house of love, with a family so strong  
And I'm here to worship and pour out my offering  
In the presence of His love, I'm never alone It's so good to be (home, home) home (home, sweet home) And by  
faith we believe and provoke our deepest love  
To give our everything, everything to above and beyond us  
And when it's cold outside, it's always warm right here  
Yeah It's so good to be (home, home) home (home, sweet home)  
Oh it's so good to be (home, home) home (home, sweet home) It's so good to be home, where I know that I  
belong  
Inside this house of love, with a family so strong  
And I'm here to worship and pour out my offering  
In the presence of His love, I'm never alone It's so good to be (home, home) home (home, sweet home)  
So good to be (home, home) home (home, sweet home)
