

I Don't Need No Doctor

New Riders of the Purple Sage

I don't need no doctor, 'cause I know what's ailin' me,
I don't need no doctor, 'cause I know what's ailin' me.
Been too long away from my baby, I'm comin' down... with the misery. I don't need no doctor, 'cause my will
to live is gone.
I don't need no doctor, 'cause my will to live is gone.
[All I need is her sweet lovin'] baby please... come back home. Now the doctor said I need rest, but all I need is
her carress.
He put me on the critical list, but all I need is her sweet kiss.
He gave me a medicated lotion, it didn't sooth... my emotion.
I don't need no doctor, 'cause my will to live is gone (I don't need no doctor, I don't need no doctor)
I don't need no doctor, 'cause my will to live is gone
[All I need is her sweet lovin'] baby please... come back home.
