

# Soon is Good

**Devendra Banhart**

Soon is good, sooner is best  
Under evil doorstepsThe end of May, of May  
Of May, of MayMid July, the middle of June  
Evil Elvis, good afternoonSoon is yours but soon to be mine  
Prize beats puzzle everytimeWell, end of May, the middle of June  
They'll be coming home soonSoon is good but sooner is best
