Wicked Love

W.a.s.p.

Welcome to temptation
Miss submissive mine
One big taste sensation
I'll take your kiss away and I want
Naked excitation, a naked wicked child
Get big domination
Who's coming for you is the wicked oneIt ain't love, wicked love
It ain't the kind you been thinking of
It ain't love, no, it's just lust
Cause tonight I'm the wicked one
Gimme love, wicked love
The naked child I'm fantasizing of
It ain't love, no, it's just lust
Cause tonight all I want's your wicked loveCome taste intoxication, in this wicked time
Let me see you naked
I'll suck your kiss and make it my
Submissive domination
Miss submissive mine
No more hesitation
Who's coming for you is the wicked oneIt ain't love, wicked love
It ain't the kind you been thinking of
It ain't love, no, it's just lust
Cause tonight I'm the wicked one
Gimme love, wicked love
The naked child I'm fantasizing of
It ain't love, no, it's just lust
Cause tonight all I want's your wicked loveWhiplash and wickedness
One wild wicked kiss
White butch, bohemian bitch
Do me, do me, do me, do meWelcome to temptation
Miss submissive mine
Get big domination
No don't cry, it ain't much
It ain't love, it's just lust
No don't lie, it's too much
Do me, do me, do me, do meIt ain't love, wicked love
It ain't the kind you been thinking of
It ain't love, no, it's just lust
Cause tonight I'm the wicked one

Gimme love, wicked love
The naked child I'm fantasizing of
It ain't love, no, it's just lust
Cause tonight all I want's your wicked love
