

One Sunny Day (Master Version/Remix)

Fleetwood Mac

Help me, baby, help me take my blues away
Help me, baby, help me take my blues away
Wake up one morning, feel good one sunny day Times I've wondered why it is a lonesome day
Times I've wondered why it is a lonesome day
I see you walking, see you walking away All I want from you is more than I can do
There's one thing that I know I'll never let you go
Although the people say I shouldn't treat you this way You'd better help me, baby, help me take my blues away
Wake up one morning, feel good one sunny day All I'd want from you is more than I can do
There's one thing that I know I'll never let you go
Although the people say I shouldn't treat you this way You'd better help me, baby, help me take my blues away
Wake up one morning, feel good one sunny day
