

# Man's Road

## America

Horizon rising up to meet the purple dawn  
Dust demon screaming  
Bring an eagle to lead me on  
For in my heart I carry such a heavy load  
Here I am on man's road  
Walking man's road, walking man's road I'm hungry, weary but I cannot lay me down  
The rain comes, dreary  
But there's no shelter I have found  
It will be a long time till I find my abode  
Here I am on man's road, walking man's road Moon rising, disguising lonely streets in gay displays  
The stars fade, the night shade falls  
And makes the world afraid  
It waits in silence for the sky to explode  
Here I am on man's road  
Walking man's road, walking man's road Walking man's road  
Walking man's road, walking man's road
