Lets Get Married

Kyan Lovelace

See, first of all, I know these so called playas wouldn't tell you this
But I'm a be real and say what's on my heart
Let's take this chance and make this love feel relevant
Didn't you know I loved you from the start, yeahWhen I think about, all the years we've put in this relationship
Who knew we'd make it this far, then I think about
Where would I be if we were to just fall apart
And I can't stand the thought of losing youMeet me at the altar in your white dress
We ain't getting no younger, we might as well do it
Been feeling you all the while girl I must confess
Girl let's just get married, I just wanna get marriedMeet me at the altar in your white dress
We ain't getting no younger, we might as well do it
Been feeling you all the while girl I must confess
Let's get married, baby let's get marriedSaid I done it all, but frankly girl I'm tired of this emptiness
I wanna come home to you and only you
'Cause making love to just anyone ain't happening
I just gotta be with youDo you think about, us finishing somethin' we started so long ago
I wanna give you my all
Do you think about, maybe us having some babies?
Come on won't you be my lady, forever, yeahI'm ready to, commit to you
And I just can't wait for that night
'Cause I need you here with me
And let's start a familyMeet me at the altar in your white dress
We ain't getting no younger, we might as well do it
Been feeling you all the while girl I must confess
Girl let's just get married, I just wanna get marriedMeet me at the altar in your white dress
We ain't getting no younger, we might as well do it
Been feeling you all the while girl I must confess
Let's get marriedMeet me at the altar in your white dress
We ain't getting no younger, we might as well do it
Been feeling you all the while girl I must confess
Girl let's just get married, I just wanna get marriedMeet me at the altar in your white dress
We ain't getting no younger, we might as well do it
Been feeling you all the while girl I must confess
Let's just get marriedMeet me at the altar in your white dress
We ain't getting no younger, we might as well do it
Been feeling you all the while girl I must confess
Girl let's just get married, I just wanna get marriedMeet me at the altar in your white dress
We ain't getting no younger, we might as well do it
Been feeling you all the while girl I must confess

Let's get married
