

Every Time I Think Of You

Angelina

Appearing in the night
Like an angel while I'm sleeping
I feel your arms around me
But sadly I'm just dreaming I stare into the darkness
And hope to find you waiting
But I know that it's useless
I'm just hallucinating And I swear your love is addicting
I'd give up my world, for you I'd come running
And I swear that I have it all
Then tell me why can't I stop thinking of you It's your voice that I hear, it's your touch that I feel
And your love comes to me every time I think of you
Boy, my dreams are so real and I know eventually
You will see what I feel, every time I think of you Veo cada estrella en el brillo de tus ojos
Veo primavera, en medio del otono
Veo lluvia Fresca, luz de luna llena
Veo que mi vida sin ti estaria a medias And I swear your love is addicting
I'd give up my world, for you I'd come running
And I swear that I have it all
Then tell me why can't I stop thinking of you It's your voice that I hear, it's your touch that I feel
And your love comes to me every time I think of you
Boy, my dreams are so real and I know eventually
You will see what I feel, every time I think of you Then tell me why can't I stop thinking of you It's your voice
that I hear, it's your touch that I feel
And your love comes to me every time I think of you
Boy, my dreams are so real and I know eventually
You will see what I feel, every time I think of you Cada Vez que pienso en ti
(Of you)
Every time, every time I think of you
Every time I think of you
