

Ballad of Big Nothing (Alternate Vocal)

[Elliott Smith](#)

Throwing candy out to the crowd
Dragging down the main
The helpless little thing with the dirty mouth
Who's always got something to say You're sitting around at home now
Waiting for your brother to call
I saw him down at the alley
Having had enough of it all Said, "You can do what you want to
Whenever you want to
You can do what you want to
There's no one to stop you" All spit and spite you're up all night
And down every day
A tired man with only hours to go
Just waiting to be taken away Getting in to the back of a car
For candy from some stranger
Watching the parade with pinpoint eyes
Full of smoldering anger You can do what you want to
Whenever you want to
You can do what you want to
There's no one to stop you Now, you can do what you want to
Whenever you want to
Do what you want to
Whenever you want to Do what you want to
Whenever you want to
Though it doesn't mean a thing
Big nothing
