Silver and gold I have none

Dollars and pounds will not be enough

But I will put myself together

Praise your name forever

Worship you my God from the bottom of my heart

I will put myself together

Praise your name forever

Worship you my God from the bottom of my heart

Back to chorus

Sia afo amanam akan sâ€™ami nke beghede (2x)

If I have ten thousand tongues, it still wonâ€™t be enough

Bridge

Ah ah oh oh oh ah ah (2x)

I will put myself together

Praise your name forever

Worship you my God from the bottom of my heart (2x)
