Piers Faccini

This happened once before
When I came to your door
No reply
They said it wasn't you
But I saw you peep through
Your window
I saw the light
I saw the light
I know that you saw me
'Cause I looked up to see
Your face

I tried to telephone
They said you were not home
That's a lie
'Cause I know where you've been
And I saw you walk in
Your door
I nearly died
I nearly died
'Cause you walked hand in hand
With another man
In my place

If I were you, I'd realize that I
Love you more than any other guy
And I'll forgive the lies that I
Heard before, when you gave me no reply

I tried to telephone
They said you were not home
That's a lie
'Cause I know where you've been
And I saw you walk in
Your door
I nearly died
I nearly died
'Cause you walked hand in hand
With another man

In my place
