

# This Is My Now

[Jordin Sparks](#)

There was a time I packed my dreams away  
Living in a shell, hiding from myself  
There was a time when I was so afraid  
I thought I'd reached the end, baby that was then  
But I am made of more than my yesterdays  
This is my now and I am breathing in the moment  
As I look around I can't believe the love I see  
My fear's behind me, gone are the shadows and doubt  
That was then, this is my now  
I had to decide, was I gonna to play it safe?  
Or look somewhere deep inside, try to turn the tide  
And find the strength to take that step of faith?  
This is my now and I am breathing in the moment  
As I look around I can't believe the love I see  
My fear's behind me, gone are the shadows and doubt  
That was then, this is my now  
But I have a courage like never before, yeah  
I've settled for less, but I'm ready for more  
Ready for more!  
This is my now and I am breathing in the moment  
As I look around I can't believe the love I see  
My fear's behind me, gone are the shadows and doubt  
That was then, this is my now!  
I'm living in the moment  
As I look around I can't believe the love I see  
My fear's behind me, gone are the shadows and doubt  
That was then, this is my now, this is my now
