boardwalk

gaop

Boardwalk, alright
Boardwalk, alright
When the summer is done and the heat is dyin', woah
I'll be wavin' goodbye while the girls are cryin', woah
It was a vacation thing and some may call it a bling
But it was really just nothing at all
No alarm to start the mornin', roll out of bed with sand in my hair
A couple of drinks and it always happens, we end up right here
Last night we were in the moment, caught up and swept away
We both know we couldn't last forever, now there's one thing left to say
When the summer is done and the heat is dyin', woah
I'll be wavin' goodbye while the girls are cryin', woah
It was a vacation thing and some may call it a bling
But it was really just nothing at all
Out on the boardwalk girls go by, time to start a conversation
I'm kind of bustin', I'm feelin' fine and she's lookin' my way
And it drives me crazy, gonna make her my baby
And tomorrow we can do it again
When the summer is done and the heat is dyin', woah
I'll be wavin' goodbye while the girls are cryin', woah
It was a vacation thing and some may call it a bling
But it was really just nothing at all
And I could stay here for the rest of my life without a care in the world
All my friends are makin' new memories
The sun is down, we're leavin' now
It's like it's all been a dream
When the summer is done and the heat is dyin', woah
I'll be wavin' goodbye while the girls are cryin', woah
It was a vacation thing and some may call it a bling
But it was really just nothing at all
Out on the boardwalk that's where we go
Out on the boardwalk no one will know
