

# Get Stupid

## Mac Dre

[Verse 1]

When we pull up to the light, the people all stare  
four niggas in the Benz with the dreadlock hair  
Smoke everywhere, wavin at Madeline  
on them woodgrain Davins with the license plate rattlin  
Doin what we want to, hangin out the sunroof  
mental reignorant, boy we go dumb dude  
Gas break dip, we call it yokin  
do a donut in yo whip, we call it dosin  
Get stupid, is what we do good  
ghost ride the whip while we dancin on the hood  
I'm amped feelin good, potna i'm hyphy  
in a bitch face with a thizz face off a Nike  
The women like me, im dipped in butta  
I'll rob your brotha pimp the blood out your motha  
I'm mister stupid doo doo dumb  
Sumthin Terrible, tell em how we come[Chorus]

We go S - T - U - P - I - D

When we go to the club we dont need ID  
Everywhere we go its a party yall  
We gon get it crackin like the Mardi Gras

Get stupid [4x]

Go stupid [3x]

Come and go stupid with me[Verse 2]

I'm a dog, hound, Crestside clown  
gig so hard make my pants fall down  
This beat pounds, cutty where'd you get it?  
oh you ain't know, Dr. Dre did it  
I come wit it, rappin and rhymin  
dancin, pantomimin, actin like im drivin  
then switch it up, dance like im fishin  
see in the bay area we dance a lil different  
The bay bounce to thizzle, the west coast wizzle  
do the get stupid, come fuck with Drizzle  
call the hospital, he's having convulsions  
no he's gettin stupid, in his load yokin  
Is the store still open?  
we need Heem, that Privelege thing...yadadamean?  
All in the throw like yee

S - T - U - P - I - D [Chorus] [Verse 3]  
Alright, let me tell you why we call this thing stupid  
cause when i dance the chicks say "you stupid"  
You can do it, it ain't that hard  
baby get dumb, act like a retard  
Shake ya hair, make it blow in the air  
you gotta get into it, growl like a bear  
Now say whaaa! "what?" no whaaa!  
do the damn thing girl cut that shit up  
Fill ya cup, dont be no punk  
it don't look right if you really ain't drunk  
Come on, repeat after me we go S - T - U - P - I - D. [Chorus]
