

# Closer Now

[Paul Haig](#)

Believe you might stumble and come closer  
I like to wake alone, to lie and turn to stone  
Comfort me, come to me, I won't go on  
I like to walk along, to keep my head screwed on  
Well, I'm the best, so well done me, I won't go on  
Believing, believing  
I believe you might stumble and come closer now  
If I stay then I'm alone, if I go then it will mean  
Waiting on my own, it's the pattern of my life  
When you care and you cannot feel and you know that it's for real  
So you leave me on my own to live the pattern of my life  
Believe you might stumble and come closer now  
Make time to be all this and more for me  
Well, you're the best, so well done you, I won't go on  
Believing, believing  
I believe you might turn from your love, wait around  
If I go here I'm alone, if I stay then it will mean  
Waiting on my own, it's the pattern of my life  
When you care and you cannot feel and you know that it's for real  
So you leave me on my own to live the pattern of my life  
Believe you might turn from your love, wait around  
If I stay then I'm alone, if I go then it will mean  
Waiting on my own, it's the pattern of my life  
When you care and you cannot feel and you know that it's for real  
You just leave me on my own to live the pattern of my life  
If I stay then I'm alone, if I go then it will mean  
Waiting on my own, it's the pattern of my life  
When you care and you cannot feel and you know that it's for real  
So you just leave me on my own to live the pattern of my life  
Believe you might stumble and come closer now
