

# Summer Girls

## Lyte Funkie Ones

Yeah, I like it when the girls stop by in the summer  
Do you remember, do you remember  
When we met that summer?  
New Kids On The Block had a bunch of hits  
Chinese food makes me sick  
And I think it's fly when girls stop by  
For the summer, for the summer  
I like girls that wear Abercrombie and Fitch  
I'd take her if I had one wish  
But she's been gone  
Since that summer, since that summer  
Hip Hop Marmalade spic and span  
Met you one summer and it all began  
Your the best girl that I ever did see  
The great Larry Bird Jersey 33  
When you take a sip, you buzz like a hornet  
Billy Shakespeare wrote a whole bunch of sonnets  
Call me Willy Whistle 'cause I can't speak, baby  
Somethin' in your eyes went and drove me crazy  
Now I can't forget you and it makes me mad  
Left one day and never came back  
Stayed all summer then went back home  
Macaulay Culkin wasn't Home Alone  
Fell deep in love, but now we ain't speakin'  
Michael J Fox was Alex P Keaton  
When I met you, I said my name was Rich  
You look like a girl from Abercrombie and Fitch  
New Kids On The Block had a bunch of hits  
Chinese food makes me sick  
And I think it's fly when girls stop by  
For the summer, for the summer  
I like girls that wear Abercrombie and Fitch  
I'd take her if I had one wish  
But she's been gone  
Since that summer, since that summer  
Cheery Pez, Cold Crush, rock star Boogie  
Used to hate school so I had to play hookie  
Always been hip to the B-boy style  
Known to act wild and make girls smile

Love New Edition and the Candy Girl  
Remind me of you because you rock my world  
You come from Georgia where the peaches grow  
They drink lemonade and speak real slow  
You love hip hop and rock 'n' roll  
Dad took off when you were four years old  
There was a good man named Paul Revere  
I feel much better, baby, when you're near  
You love fun dip and cherry coke  
I like the way you laugh when I tell a joke  
When I met you I said my name was Rich  
You look like a girl from Abercrombie and Fitch  
New Kids On The Block had a bunch of hits  
Chinese food makes me sick  
And I think it's fly when girls stop by  
For the summer, for the summer  
I like girls that wear Abercrombie and Fitch  
I'd take her if I had one wish  
But she's been gone  
Since that summer, since that summer  
In the summertime girls got it goin' on  
Shake and wiggle to a hip hop song  
Summertime girls are the kind I like  
I'll steal your honey like I stole your bike  
Bugaloo shrimp and pogo sticks  
My mind takes me back there, oh, so quick  
Let you off the hook like my man Mr. Lipit  
Think about that summer and I bug 'cause I miss it  
Like the color purple, macaroni and cheese  
Ruby red slippers and a bunch of trees  
Call you up but what's the use  
I like Kevin Bacon, but I hate Footloose  
Came in the door said it before  
I think I'm over you but I'm really not sure  
When I met you I said my name was Rich  
You look like a girl from Abercrombie and Fitch  
New Kids On The Block had a bunch of hits  
Chinese food makes me sick  
And I think it's fly when girls stop by  
For the summer, for the summer  
I like girls that wear Abercrombie and Fitch  
I'd take her if I had one wish  
But she's been gone  
Since that summer, since that summer  
'Cause summer girls come and summer girls go

Some are worth while and some are so so  
Summer girls come and summer girls go  
Some are worth while and some are so so  
Summertime girls got it goin' on  
Shake and wiggle to a hip hop song  
Summertime girls are the kind I like  
I'll steal your honey like I stole your bike  
New Kids On The Block had a bunch of hits  
Chinese food makes me sick  
And I think it's fly when girls stop by  
For the summer, for the summer  
I like girls that wear Abercrombie and Fitch  
I'd take her if I had one wish  
But she's been gone  
Since that summer, since that summer
