Sucks To Be You

Danielle Peck

I tried to love you baby
But I couldn't make you happy
And it just really shouldn't be so hard
I gave and you kept taking
You made some big mistakes and
You were always careless with my heart
[Chorus:]I'm happier now
Ain't it funny how
All it took was leaving you
To finally feel good again
You say you're sorry now
That you figured out
Just what it was that you had to lose
Well it sucks to be you
You used your last chance so
I went and found romance oh
Your eally just can't stand it can you
You see the smile on my face
And it really drives you crazy
Just to see how much better off I am without you
[Chorus:]I'm happier now
Ain't it funny how
All it took was leaving you
To finally feel good again
You say you're sorry now

That you figured out
Just what it was that you had to lose
Well it sucks to be you
Don't worry baby
I'm sure you'll find someone too
Yeah, who'll put up with you
[Chorus:]I'm happier now
Ain't it funny how
All it took was leaving you
To finally feel good again
You say you're sorry now
That you figured out
Just what it was that you had to lose

Well it sucks to be you
[Chorus:]I'm happier now
Ain't it funny how
All it took was leaving you
To finally feel good again
You say you're sorry now
That you figured out
Just what it was that you had to lose
Well it sucks to be you
I'm gone
