Here With Me

Justin Michael Williams

I wish you were here with me
I know you're in the air I breathe
I wish you were here to see
Everything, I made of me

All I dreamed has come to be
Why can't you be next to me?
A feather fallen from your wing
Leading me, taking me.

Remeber when you said to me

Remeber when you said to me
Think of me and there I'll be.
But I want more than memories.
To hear your voice, guiding me.

You're the anchor when I'm off shore.
The star in my darkest night
You showed me what to fight for
Don't tell me that you're gone.

I wish you were here with me
I know you're in the air I breathe
I'll never be the same again
