

# I Came to Play

Paul Jackson Jr

Run away if you see me.  
Don't even say my name.  
Don't think that you can know me.  
Don't try and play that game. Everyday that I get better,  
I watch as you get worse.  
My script is to the letter.  
And I'll write your final verse. I am here to stay.  
Well, I'm here to stay!  
And I'm come to play.  
I came to play.  
There's a price to pay.  
Time to get down on your knees and pray.  
I came to play!  
You say goodbye to the good ol' days.  
They're never coming back watching futut fame. I came to play!  
I came to play to get my dues paid.  
I guess you had a dream, but it can't be saved. I came to play!  
I'm here to stay.  
Best get out of my way.  
I came to play. I glow inside this light.  
I've seen yor live unfold.  
Each secound I burn brighter,  
Your fire is going cold.  
You could try to beg for mercy.  
Go ahead and try to run.  
No escape and no redemption.  
Understand it hase begun. I am here to stay.  
Well, I'm here to stay!  
And I'm come to play. I came to play.  
There's a price to pay.  
Time to get down on your knees and pray.  
I came to play!  
You say goodbye to the good ol' days.  
They're never coming back watching futut fame. I came to play!  
I'm here to stay.  
Best get out of my way.  
I came to play.  
Out of my way! See all these light?  
They're glowing.

Here all these people chant.  
Fear all the love that's blowing.  
All this because I'm here. Get up and on your feets!  
Wave your hand up in the air.  
What you know about fate.  
It's special.  
Get your hands up in the air. I  
Came  
To  
Play I came to play.  
There's a price to pay.  
Time to get down on your knees and pray.  
I came to play!  
You say goodbye to the good ol' days.  
They're never coming back watching futut fame. I came to play!  
I'm here to stay.  
Best get out of my way. I came to play.  
There's a price to pay.  
Time to get down on your knees and pray.  
I came to play!  
You say goodbye to the good ol' days.  
They're never coming back watching futut fame. I came to play!  
I'm here to stay.  
Best get out of my way.  
I'm here to stay.  
Best get out of my way. I came to play...
