

# Starstruck

## The Kinks

Baby, you don't know what you're saying,  
Because you're a victim of bright city lights,  
And your mind is not right.  
You think the world's at your feet.

Cause you're starstruck, baby, starstruck.  
Taken in by the lights,  
Think you'll never look back,  
You know you're starstruck on me.

Baby, you're running around like you're crazy.  
You go to a party and dance through the night,  
And you'll drink 'till you're tight,  
And then you're out on your feet.

Cause you're starstruck, baby, starstruck.  
Taken in by the lights,  
Think you'll never look back,  
You know you're starstruck on me.

Baby, watch out or else you'll be ruined,  
Cause once you're addicted to wine and champagne,  
It's gonna drive you insane,  
Because the world's not so tame.

And you're starstruck, baby, starstruck.  
You're taken in by the lights,  
Think you'll never look back,  
You know you're starstruck on me.  
Don't you know that you are,  
Starstruck on me.  
And you always will be,  
Starstruck on me.  
Starstruck on me.
