If Only

Sarah Geronimo

You came into my life
And make me see
That I can learn to breath
And live again

But love it seems
You've had a change of heart
and everything we have
You're willing to throw away

Did you ever feel
That I can never love you for real
Why did you have to go
Baby I need you so

Chorus:
If only I can be
Back in your arms again
That I can make you feel the love
We knew back then
Maybe you and I
Would see forever
If only I can be
Back in your arms again
Huh hoohh...

Oh how can I ever make you know
That you are simply everything to me

And how can I
Make you believe
That I would truly live
And die for you

I can't understand
How you could ever break my heart
Why did you have to go
Baby I need you so

Repeat Chorus (2 times)

Back in your arms again. . . . . .
