Electric Love Child

Steelheart

People say she's from another time, got a neon heart, got an X-ray mind Oh, a spiritual attraction

Two black eyes painted on her face, just one look'll lay your soul to waste
Oh, a ritual reaction

Let my dreams run away, tell me baby, tell me baby that you're gonna stay
Touch my body, crush my soul, love

Sweet Electric Love Child, Sweet Electric Love Child Little girl wanna stay so high, reach down and touch the sky Oh sunshine again

Aw my sugar gonna shoot the moon

Dancin' in an old cartoon on the windowpane

Trip the lights, drift away

Tell me baby, tell me tell me what you wanna say - what d'you wanna say?

Touch my body, crush my soul, oh baby, I'm in love love love love...

Sweet Electric Love Child, Sweet Electric Love Child (Solo)

Sweet Electric Love Child, Sweet Electric Love Child Oh honey, child, oh sing it, huh Sing it baby, oh child, yeah baby, oh, oh my my my my...
