Father Figure

Army Of Anyone

Cold is your heart
When you're heart has been broken
Love is what's lost
When the loss leads to loathing
Pain's what you've got
When you've got
Got going
There is your food
And your food's
Got you choking[Bridge]
Touch a good game
'Cause the rules are the same
I can't deny that we'll miss him
Now that you've killed
It's a much bigger pill
'Cause larger words are missing[Chorus]
Say what you will
Where's your father figure?
Say what you will
Where's your father figure
Now?Spun is your head
And your head is unfolding
Crushed is your soul
And your soul is unloading
Torn are your thoughts
And your thoughts
Make life hopeful
Gone is the cost
And the cost
Is un-hopeful[Bridge][Chorus]Say what you will
Where's your father figure?
Say what you will
Where's your father figure?
Say what you will
Where's your father figure?
Say what you will
Where's your father figure?
