World's Greatest Lover

The Bellamy Brothers

She's a little old-fashioned
She's a little new way
She's got her own kind of passion
And I'm glad to say
That I'm a lucky guy
She's standin' by
Can't you see, lucky me
And I really only wanna say
No one on this earth
Does what she does for me
Uh, uh, uh.

She looks so innocent
Sippin' champagne
Or gettin' her new dress wet
In the pourin' rain
But when she takes me home
And we're all alone
Can't you see, lucky me
And I really only wanna say
I can't begin to say what she does for me
Uh, uh, uh.

[Chorus]
She's the world's greatest lover
And the way she holds me
I know there's no other
She's that kind of girl, a passionate girl
She's the world's greatest lover
And I'm never gonna let her go
No I'm never gonna let her go away
Uh, uh, uh

You know, she looks so convincing
Walkin' down the street
Incognito, lookin' prim and sweet
But she is dynamite, ready to ignite
Just for me, lucky me
& I really just wanna scream

But I keep it a secret
How she fulfills my dreams
Uh, huh, huh.

[Chorus]
