K. Michelle

[Intro]

Hit me

I know you're gone on that liquor, ain't you?[Hook]

I know you're gone on that liquor, ain't you?

Getting throwed with me, baby ain't you?

Only one I be giving game to

These dudes mad cause they really ain't you

I know you're gone on that liquor, ain't you?

Baby I ain't tryna change you

Got you gone and I feel the same too

These dudes mad cause they really ain't you[Verse 1]

Oh, I got my own shit, don't want your money

Nope, I drop a hundred bands like it's easy money

These niggas is trying to shoot but you got the lay up

Ain't none of them telling the truth, nope

Oh, I done dodged so many ceremonies

Coulda had fifty mil in alimony

Give you everything, what you want from me?

You know, everybody's got a testimony

Like I used to fuck with your old homie

You the only one I keep it hundred with, you know

Paparazzi waiting at the party when I leave here

Can't somebody tell me why these niggas gotta be here?

I don't wanna be here, it don't get no easier

We ain't supposed to drink in here, oh[Hook]

I know you're gone on that liquor, ain't you?

Getting throwed with me, baby ain't you?

Only one I be giving game to

These dudes mad cause they really ain't you

I know you're gone on that liquor, ain't you?

Baby I ain't tryna change you

Order hundred Jack, we gon' drink it by the bottle

Roll another one, I know you're fiending so I'mma get you higher than a pilot

But tell all your bitches, I told all my niggas to stay in their place[Pre-Hook]

You know that I'm about it, no limits

Every time you leave I need more
Might just have to bring you on tour, on tour
Oh, I know that that liquor got you on one
I'mma let you hit it like a home run, like a home run
I know you're gone off that liquor, ain't you?
