

Moody Mondays (feat. The Cut)

[Eric Prydz](#)

Mondays, moody Mondays
Watch out I'm on the way go
Lose my sense to communicate
Monday, moody Mondays
Headphones close the world down, finding ways to spin this week around

Mondays, moody Mondays
Falling to the war zone
Check my pulse, 'cause I'm losing faith
Monday, moody Mondays
Watching all these peoples - away

Mondays, moody Mondays
Monday, moody Mondays

Mondays, moody Mondays
Calls the world down, finding ways to spin this week around

Mondays, moody Mondays
Monday, moody Mondays
Mondays, moody Mondays
Monday, moody Mondays
