

Miracle of Love

Susan Wong

How many sorrows
Do you try to hide
In a world of illusions
That's covering your mind? I'll show you something good
Oh, I'll show you something good
When you open your mind
you'll discover the sign
That there's something you're longing to find The miracle of love
Will take away your pain
When the miracle of love
Comes your way again Cruel is the night
That covers up your fears
Tender is the one
That wipes away your tears
There must be a bitter breeze
To make you sting so viciously
They say the greatest coward
Can hurt the most ferociously I'll show you something good
Oh, I'll show you something good
If you open your heart
you can make a new start
When your crumbling world falls apart The miracle of love
Will take away your pain
When the miracle of love
Comes your way again
A miracle of love
Will take away your pain
When the miracle of love
Comes your way again The miracle of love
Will take away your pain
When the miracle of love
Comes your way again
The miracle of love
Will take away your pain
When the miracle of love
Comes your way again
