

Daddy's Song (feat. David Shaw)

Maggie Koerner

Walk me down the street
Click my heels to the beat
I know
These big ole lips on my face
Got some soul to slap in your face
I know
Responsibilities got me smokin too much weed
I know
Well daddy hereâ€™s your song
Did I make you sing along
I know

I kno-o-ow

I know

Cus you bring me peace
The kind thatâ€™s got me down on my knees
But you, you got me feelin so brand new
Ooh, baby.

(David Shaw)

A legal alien I am
A stranger to this world Iâ€™m in
Weâ€™re gonna make a move
We fight tonight
The bruises wonâ€™t be light
Weâ€™re gonna make a room
Yeah
Iâ€™m gonâ€™ put it on the shelf
Iâ€™ve been sleepin round with someone else

I said you (Iâ€™m gonâ€™ put it on the shelf)
I said you (I been sleepin round with someone else)

(Both)

So Daddy hereâ€™s your song,
did I make you sing along
I know
Well daddy hereâ€™s your song,

Did I make you sing along

I know

I know

I know

(Maggie)

Cus you bring me peace

The kind thats got me down on my knees

But you

You

You

You got me feelin so brand new (x3)

Well daddy hereâ€™s your song

Did I make you sing along

I know

I know

Well daddy hereâ€™s your song

Did I make you sing along

I know

I said daddy (hereâ€™s your song)

Daddy (did I make you sing along)

Daddy (I know)
