What Do I Have to Do

Crystal Shawanda

I hear what youre not saying loud n clear
Ive long since stopped asking how you feel
If Im ever gonna be any closer to youOh, what do I have to do to get you to talk to me?
Say anything, just see me in the room
I dont wanna be a flower on the wall of your world wilting awayHow hard is it just to have a simple conversation
Just ask me all about a book I read or how my day went
For me to get through to you, oh what do I have to do?If I thought itd make a difference Id take up golf
And the next time you go fishing Id tag along
Id write it word for word across the sky
That if you dont love me back Ill dieWhat do I have to do to get you to talk to me?
Say anything, just see me in the room
I dont wanna be a flower on the wall of your world wilting awayHow hard is it just to have a simple conversation
Ask me all about a book I read or how my day went
For me to get through to you, oh what do I have to do?Ooh, how hard is it just to have a normal conversation
Tell me about how your long day at work went
For me to get through to you, oh what do I have to do?
Oh yeah, oh what do I have to do?
