

# Tall Man Skinny Lady

[Ty Segall](#)

Tall man and the skinny lady, I need to look rough,  
Come over here, I think you can make it, tried to kill myself oh uh oh Tall man and the skinny lady, I need to  
look rough  
Come over here, I think you can make it, tried to kill myself  
Over here, I need your love baby, I need to run,wooh
