

# This Dance

Scott Thomas Laughridge

Your mom and I are a mess  
Seeing you in that dress  
Our little girl is now grown

And I remember how sweet  
When you danced on my feet  
Now you stand on your own

You'll always be my little girl  
My whole life, my whole world  
My little girl

This dance  
Is more than just a dance  
It gives me one more chance  
To show the world how proud I am of you  
And as we dance  
Dance around this room  
Like we did when you were two  
My little girl  
This dance is just for you

As you walked down the aisle  
Such a beautiful smile  
Beauty only God could create  
Tears fill my eyes as I realize  
I have to give you away  
You'll always be my little girl

And this dance  
Is more than just a dance  
It gives me one more chance  
To show the world how proud I am of you  
And as we dance  
Dance around this room  
Like we did when you were two.  
My little girl  
This dance is just for you

(Instrumental)

And this dance  
Is more than just a dance  
It gives me one more chance  
To show the world how proud I am of you  
And as we dance  
Dance around this room  
Like we did when you were two.  
My little girl  
This dance is just for you

My little girl  
This dance is just for you
