

# So Sad the Song

## Gladys Knight & The Pips

So sad the song of  
To end two lives  
When that moment of truth  
Suddenly arrives And so sad the song  
Of what might have been  
You see a lifetime of dreams  
Scattered in the wind Together  
We belong together  
Never was that one lovely word  
Easier to say And so sad the song  
Of just remembering when  
Knowing the love of your our life  
Will never come again So sad the song  
That says goodbye Together  
We belong together  
And now that you are  
Of that you can rely So would it be wrong  
To give our love  
Just one more try So sad the song  
That says goodbye  
(So sad the song)  
That says goodbye
