Moya Brennan

Weaving silver and gold
Destinations crossing overGentle music touching beauty
Rising in harmony
Teach us to listen, calling for wisdom
Gracing a tapestryWeaving silver and gold
Destinations crossing overSpinning a web of ribbons and color
Colors of history
Stories together, laughing and dancing
Gracing a tapestryWeaving silver and gold
Destinations crossing overTreasure secrets, stealing moments
Phrases of poetry
Setting in motion, loving forever
Gracing a tapestryWeaving silver and gold
Weaving silver and gold
