A Heart That Forgives

Kevin Levar & One Sound

I want a heart that forgives
A heart full of love
One with compassion just like yours above
One that over comes evil with goodness and love
Like it never happened, never holding a grudge
I want a heart that forgives that lives and lets lives
One that keeps loves over and over again
One that men can't offend
Cuz your word is deep within
One that loves without price like you lord Jesus Christ
I want a heart that loves everybody
Even my Enemies
I want to love like, be like you, just like you did
I want a heart that forgives, want a heart that forgives
Want a heart that forgives!
When the ones that are closes and that I've known the longest
They hurt me the most; I still wanna love them just like you loved me
Even though I'm hurting, God should know they hurt me deep
Ohhh, want a heart that forgives
When the pain is so deep and it's so hard for me to speak about it
To any one just like your son
I give up my rights to hold it against them with hatred inside
I want a heart that loves everybody, even my Enemies
I wanna love like you, be like you, just like you did
Wanna walk like you, talk like you,
just like you did, Wanna be like you Jesus
Just like you Jesus Christ, I want a heart
Cuz the heart that forgives that is the heart that will live
Totally free from the pain of the past and the heart that lets go
That is the heart that will know so much freedom,
Do you wanna be free, my answer is Yes
Lord I wanna be free, my answer is Yes
God I'm tired of being bound, father my answer is Yes
I don't want this in my life, father my answer is Yes
God I'm ready to let it go, father my answer is Yes
God I'm tired of saying No, father my answer is Yes
I know you got so much for me, that's been hidden by my pride
You got so much for me, so much you wanna do with my life
Father help me let it go, Lord you know it's been so long

Father help me let it go, As I play to you this song
I don't wanna be hindered by the spirit of offense
I don't wanna be hindered by people that do me wrong
I wanna love them like you love me, wanna love them like you love me
Wanna love them like you love me, I want a heart that forgives
No matter what happens Lord, give me grace, give me grace
Lord no matter what comes, no matter what people do
I still wanna love them, I wanna love them, Just like you
