

They'll Never Take Jesus Out of My Heart

Parish Family

â€œTheyâ€™ll Never Take My Jesusâ€•

By The Parish Family

They can take the ten commandments
Down off the courthouse walls
They can take away my right to pray
In the schools and the malls
They can take my blessed Bible
Just tear the pages all apart
But they'll never take my Jesus
Out of my heart

They can take away our right to pray
And throw us all in jail
But they can't take away, the life He gave
Or send my soul to hell
They can take my blessed Bible
Just tear the pages all apart
But they'll never take my Jesus
Out of my heart

They can take away our liberty
To speak God's Holy Word
They can make it against the law
To witness door to door
They can take my life and bury me
In a grave so cold and dark
But they'll never take my Jesus
Out of my heart

Oh, they can take away my right to pray
And even throw us all in jail
But they can't take away, the life He gave
Or send my soul to hell
They can take my blessed Bible
Just tear the pages all apart
But they'll never take my Jesus
Out of my heart

No, they'll never take my Jesus

Out of my heart
