

# Oh! My Mama

[Alela Diane](#)

Oh my Mama  
She gave me these feathered breaths  
Oh my Mama  
She told me use your voice,  
My little birdShe said sing sing sing sing sing melodies  
And she sang sang sang sang sang sang melodiesOh my Mama  
She did give me fancy feet  
I'll be dancing on  
And I'll tap tap tap my toes  
Into those creaking floorboards  
Oh my Mama  
She took my little hand and held on tight  
Oh the Mamas  
Give the waters of their wells  
Oh the Mamas  
Give the babies this very dirt we're walking on  
Oh my Mama  
She gave me these feathered breaths  
And your Mama  
She gave you those feathered breaths tooAnd when the sky drops all those feathers  
And when the birds sing in the morning  
I'll be a mama  
I'll have a daughter  
I'll be a mama  
I'll have a daughter  
And I'll give her melodies  
I'll give her melodies  
(repeat)And she'll be  
My little bird  
And then she'll fly  
She'll fly
