

Superhero

Faith No More

Superhero
I'm tugging on your cape
Tell me will your sons
Know their father one day
Leader of men
Leader of men
Get back in your cage
Will you be one of them?
Like an American drug
Makes a mean cock grow
Chop a cow and kill a priest
Makes a superman of glass
Go go go go go go go go
The S on your chest
You're feeling like a god
An order of animal
We try to find a rod
Superhero, Sensei, Nero, smiling,
Hiding, riding, flying, sighing, sumo
Leader of men
Leader of men
Get back in your cage
Ain't no grave going to hold this body down
The sun rises here to save us now
All its all erase
Storybook years
Sweet memories
Wash it away
Wash it away
Wash it away
Leader of men
Leader of men
Leader of men
Will you be one of them?
Leader of men
Leader of men
Leader of men
Will you be one of them?
Leader of men
Leader of men
Leader of men
Will you be one of them?
Leader of men
Leader of men
Will you be on of them?
Leader of men
Leader of men
Will you be on of them?
