Crawl Down

Cyclefly

You move like a slow train, on rubber wheels
Crawl from the drain way to covet me
You lie in a doorway and softly scream
I want to be obscenityI am the pleasure you call pain
The flash that lacerates your brain
The undisputed King of shameYour focus your brain waves, on sodomy
Roll in the black rain, in agony
You died in a doorway, reflecting me
I want to be obscenityI am the pleasure you call pain
The flash that lacerates your brain
The undisputed King of shame, shameI am the heroin you sort
The bloody fetus you abort
We all crawl down
We all crawl downI am the pleasure you call pain
The flash that lacerates your brain
The undisputed King of shame, shameI am the heroin you sort
The bloody fetus you abort
We all crawl down
We all crawl downWe all crawl down
We all crawl down
We all crawl down
We all crawl downWe all crawl down
We all crawl down
We all crawl down
We all crawl downWe all crawl down
We all crawl down
We all crawl down
Down, down, down, down
