# Complicated

## [Carolyn Dawn Johnson](#)

I'm so scared that the way that I feel
Is written all over my face
When you walk into the room
I wanna find a hiding placeWe used to laugh, we used to hug
The way that old friends do
But now a smile and a touch of your hand
Just makes me come ungluedIt's such a contradiction
Do I lie or tell the truth?
Is it fact or fiction
Oh, the way I feel for you?It's so complicated
I'm so frustrated
I wanna hold you close, I wanna push you away
I wanna make you go, I wanna make you stayShould I say it
Should I tell you how I feel?
Oh, I want you to know but then again I don't
It's so complicatedJust when I think I'm under control
I think I finally got a grip
Another friend tells me that
My name is always on your lipsThey say I'm more than just a friend
They say I must be blind
Well, I admit that I've seen you watch me
From the corner of your eyeOh, it's so confusing
Yeah, I wish you'd just confess
But think of what I'd be losing
If your answer wasn't yesIt's so complicated
I'm so frustrated
I wanna hold you close, I wanna push you away
I wanna make you go, I wanna make you stayShould I say it
Should I tell you how I feel?
Oh, I want you to know but then again I don't
It's so complicatedI hate it 'cause I've waited
So long for someone like youOh, should I say it
Should I tell you how I feel?
Oh, I want you to know but then again I don't
It's so complicated, so complicated
It's so complicated
