Close To Me

Bill Withers

Unstoppable, incredible, impeccable
It's, it's The Unit
Woop, woop, you know how we do it
Woop, woop, I make you dance to it
Woop, woop, throw up your hands to it
Go ahead call the cops, come on
Girl what's it gonna take to have you close to me
Right by my side where you supposed to be
They start to notice you when they notice me
And you can have it all free of charge
I know you like European cars
Take, take a look at my garage
Make, make and we can all m
