

# Focus Pon Me

[Shontelle](#)

I've been looking at you wondering if you even got  
What it takes inna, no you take me easy  
Left, right, left, right, left, right, focus pon me  
Left, right, left, right, left, right, focus pon me From the most things I got, you can't do it like me  
There is no other  
You a-watch and a-stare and a-wish  
That this gal could'a be your baby momma So watch me slow grind and a-wine  
And in time never step outta line, baby  
Make you bod all night feel the wickedest wine  
(Focus everytime) So watch me slow wine, baby  
While I wine and dine, baby  
Make your mouth water with this heat  
Me done work it, what is your weakness? Left, right, left, right, left, right, focus pon me  
Show it back, make it hot, take it right down for me  
Left, right, left, right, left, right, focus pon me Move it round, toss it down, give it all you got, baby  
Left, right, left, right, left, right, focus pon me  
(What?)  
Left, right, left, right, left, right, focus pon me  
(What?)
