I'll Be There

Cass Elliot

I'll be there
When all your dreams are broken
To answer your unspoken prayers
When the little things you're doing don't turn out right
Don't you worry darling,
I'll be there

I miss you
And in my dreams I kiss you
And (I) wish you luck with your new affair
So baby, if you need me
All you have to do is call me
Don't you worry darling,
I'll be there

Don't you worry darling,
I'll be there

There whenever you need to know
That there is someone who cares
And so if your new love
isn't your true love
Don't you worry darling,
I'll be there

Oh you know I'll be there
Don't you worry darling,
cause you know I'll be there
