Bury Me In Smoke (NOLA)

Down

When does a holding keep me locked away
No chance was given to find myself today
My time of aging wonder when I'll die
But when my time will come I know the reason why!
I have an escapeAlone it keeps me safe and in my home
I have to use it
To keep me satisfied until I'm gone
Don't regret the rules I broke
When I die bury me in smoke!Under the world I wait for my fate
My bodies lying beneath my blissful state
My time of aging wonder when I'll die
But when my time will come, I know the reason why
I have to risk it
Alone it keeps me safe and in my home
I have to use it
To keep me satisfied until I'm gone
Don't regret the rules I broke,
When I die bury me in smoke
