One More Time To Live

The Moody Blues

Look out of my window
See the world passing by
See the look in her eye

One more time to live and I have made it mine
Leave the wise to write for they write worldly rhymes

And he who wants to fight begins the end of time...
For I have riches more than these
For I have riches more than these

Desolation
Creation
Tell me someone why there's only confusion
Evolution

Tell me someone that this is all an illusion
Pollution
Tell me someone
Saturation

Tell me someone
Population
Annihilation
Revolution

Tell me someone why this talk of revolution
Confusion
Tell me someone when we're changing evolution
Illusion

Tell me someone
Conclusion
Tell me someone

Changes in my life

Elation
Changes in my life

Changes in my life
Communication
Compassion
Solution

Look out on the hedgerow
As the world rushes by
Hear the birds sign a sigh

One more tree will fall how strong the growing vine
Turn the earth to sand and still permit no crime
How one thought will live provide the others die
For I have riches more than these
For I have riches more than these
