# Skeleton Song

## The Good Life

I can feel it in my bones
It's hidden
Somewhere deep within the skin
It's livingI know the cancer is inside of me
I know the cancer is in everythingI can feel it in my bones
It's aching
Hiding somewhere in my bones
To take me
I can feel the cancer burrowing
I can see the cancer bury me, ohThere's
No
Cure
I am certain
An omen wallows...
In my bones, bones, bones, bones
Bones, bones
My bones, bones, bones, bones
Bones, bones
