## Jurassic 5

Yo, we are no superstars  
Who wanna be large and forget who we are  
Don't judge us by bank accounts and big cars  
No matter how bright we shine we're far from bein' stars  
'Cuz stars fall and disintegrate before they hit the  
Asphalt, they incinerate 'cuz we came  
Not to destroy the law but to fulfill  
For those who appreciate those with skills  
And fresh windmills and graf that kills  
What is a DJ without the scratch to build?  
Without the elements, it's all irrelevant  
Niggas love to freestyle but hate to fellowship  
Yeah, taste the city's agenda, most of you outta town niggas  
Get caught up and turn bitter, the city of bullshitters  
Where hopes are blown, not even money for the phone  
Now tell me what's the solution, how to get back home?  
Yo, don't get caught up in glamor and glitz and camera tricks  
The Land of the Dead, before you come examine your set  
Where drama collects and women use special effects  
Where amateur stunts can make a nigga damage your fronts  
Uh, the California Sunkist with a twist of limelight  
Some set trip on the Sunset Strip  
Believe the Hide Boulevard nice, the glamorous life  
Many searchin' for the fame but can't afford the price  
She would turn you out if you wasn't prepared, Hollywood  
She would tell you the things that you wanted to hear, Hollywood  
She would blur your vision when it once was clear  
This chick is full of tricks so approach with fear, 'cuz  
We are no superstars  
Who wanna be large and forget who we are  
Don't judge us by bank accounts and big cars  
No matter how bright we shine we're far from bein' stars  
You say you love L.A., you say the weather is great  
Plenty sun in your face, you like the cars with bass  
You like the way we paper chase and the women that shake  
In the land of earthquakes and high crime rates  
A lot of people are fake, this is Hollywood  
We shape the minds of kids in every hood  
We make your past situation look good

The nights filled with Shugs and I wish you would  
You can dance with Alvin Haley and Les Miserables  
In this century city, you can walk on the stars  
Sex, money, and murder, yeah it's all 4 to 5  
'Cuz fame and passerby with the name immortalized  
On the avenue of stars, many names are called  
On the boulevard, known for leavin' permanent scars  
Many dreams get robbed, real movie macabre  
Young heartthrobs get young heart sobs, 'cuz  
{"Good evening, good evening, ladies and gentlemen  
Welcome to Hollywood, California"}  
The city of angel's wings represents people's hopes and dreams  
And the evil that men do that live life close to kings  
And boast supreme, fancy cars, coats, and cream  
Material things provoke more folks to scheme  
Whether you paid your cost, Cali green made your call  
The smog covers the city like a table cloth  
Is it fame at fault? Entertainers labeled soft  
The place where people come to lose their train of thought  
Despite the claims of what L.A. is and what it ain't  
The picture the city paints that over exaggerates  
Within the circus, if you're fillin' this service purpose  
Some feel it ain't worth it, the city that's got you nervous  
And make you injure and get up out of here nigga  
'Cuz L.A. never considered for those that need baby sitters  
This is the hot bed for singles and newlyweds  
Some lookin' for better gigs or fiendin' to make it big  
It's the only place where stars are born  
And we are the only ones that can't be worn out  
By any place regardless of the cost  
'Cuz brothers with big dreams, sometimes they get lost 'cuz  
We are no superstars  
Who wanna be large and forget who we are  
Don't judge us by bank accounts and big cars  
No matter how bright we shine we're far from bein' stars  
'Cuz stars fall, and disintegrate before they hit the  
Asphalt, they incinerate 'cuz we came  
Not to destroy the law but to fulfill  
For those who appreciate those with skills  
And, and  
What is a DJ without the  
Without the elements, it's all irrelevant  
I represent the real from the beginning to the end of it
