Suzanne and I

Anna Calvi

Suzanne and I
Never will we be apart
Suzanne and I
Never will we be apartBut we hold, hold
Hold it down
Oh, we hold, hold
Hold it downCause the night calls me
When the wind leads behind the world
When the wind leads behind the worldBut we hold, hold
Hold it down
Oh, we hold, hold
Hold it down'Cause the night calls forSuzanne and I
Suzanne and I
Suzanne and I
Suzanne and I
We will riseWe hold, hold
Hold it down
Oh, we hold, hold
Hold it down
Oh, we hold, hold
Hold it down'Cause I never, ever, ever, ever be aloneSuzanne and I
Suzanne and I
Suzanne and I
Suzanne and I
