

Slit Your Own Throat

The Used

I gotta take this moment just to push you down
Spin you around with my foot on the back of your neck
Up on the curb, with the pressure on your teeth
Not gonna take this, not gonna take this I watched the rain make a puddle to get you soaked
The swollen words, crack coming out of your throat
Sticky times for the shallow believer
Not gonna take this, not gonna take this I swear your head is bigger than us all, getting bigger
Go slit your own throat, slit your own throat
You're more turned on than anyone could be by yourself
Go slit your own throat, slit your own throat Just like a tick, like an itch in the back of your throat
You missed the beat while they're hanging on every note
You're gonna choke 'cause you swallowed a problem
Not gonna take this, not gonna take this I see the flood, see the terror that gets you soaked
This kind it does that you bleed, I fuckin' already know
It's tragic time for the shallow believer
Not gonna take this, not gonna take this I swear your head is bigger than us all, getting bigger
Go slit your own throat, slit your own throat
You're more turned on than anyone could be by yourself
Go slit your own throat, slit your own throat I gotta take this moment just to push you down
Spin you around with my foot on the back of your neck
Up on the curb, with the pressure on your teeth
Not gonna take this, not gonna take this I watched the rain make a puddle to get you soaked
The swollen words, crack coming out of your throat
Sticky times for the shallow believer
Not gonna take this, not gonna take this I swear your head is bigger than us all, getting bigger
Go slit your own throat, slit your own throat
You're more turned on than anyone could be by yourself
Go slit your own throat, slit your own throat Go slit your own throat, slit your own throat
Go slit your own throat, slit your own throat
Go slit your own throat, slit your own throat Not gonna take this, not gonna take this
Not gonna take this, not gonna take this
