Just In Case

The Forester Sisters

I saw you walkin' down the street just the other day
Took one little look at me and turned the other way
Can't say I blame you but I'd like for you to know
How wrong I was to ever let you goJust in case, you ever change your mind
If you suddenly decide to give me one more try
I'll be waiting in the wings, just lookin' for a sign
Just in case you change your mindWhat can I say darlin', what can I do?
Well, I've got to find some way to change your point of view
I've always loved you and that's a natural fact
If you could only find it in your heart to take me backJust in case, you ever change your mind
If you suddenly decide to give me one more try
I'll be waiting in the wings, just lookin' for a sign
Just in case you change your mindJust in case, you ever change your mind
If you suddenly decide to give me one more try
I'll be waiting in the wings, just lookin' for a sign
Just in case you change your mindJust in case, you ever change your mind
If you suddenly decide to give me one more try
I'll be waiting in the wings, just lookin' for a sign
Just in case you change your mind
