

# Messiah's Abomination

## Krisiun

Abyssal blasts of raging profanation  
Unburying the essence of perpetual revelation  
Angel of aberration enslaved into submissionBanished from the fallen mortifying faith  
Hear the nailed Christ sorrowful screams  
As the holy wounds hurt and bleedPestilent infestation towards retribution  
As the dying earth agonizes  
And pervades the horrors of holocaust  
Accursed epitome of the emptiness of GodFallen scriptures denounces deceit  
Baptismal of destroyed sacrament  
High priests spewing blood  
Transgressing the signs of holinessRaging plague entombs the church of Christ  
Chaos summoning into the eternal night  
Black earth em-plagued by the obscured skies  
Baneful storms chaotic winds blow  
An evil blast proclaim extermination of sacred domainAbyssal gates of raging profanation  
Unburying the essence of perpetual revelation  
Angel of aberration enslaved into submissionBanished from the fallen mortifying faith  
Hear the nailed Christ sorrowful screams  
As the holy wounds hurt and bleed
